---

## 9-2- Note on online posting procedure

---

The Centre Mersenne offers a set of modular services.

### LaTeX Format

If you choose the Online Posting Service, articles must be LaTeX formatted, after the Cedram class, which establish the structure for metadata, but allows a creative layout.

A simplified LaTeX class, created by the Centre Mersenne or by the editorial team, will be available to the authors on the Publication website.

A LaTeX layout, based on the Cedram class, will be produced by the Centre Mersenne and made available for typesetting of articles and deliveries. Typesetting shall be undertaken either by the Centre Mersenne (paying service) or by the editorial team. A list of typesetting companies can be provided.

### OJS Assistance

If you select the OJS Service, the Centre Mersenne can assist editorial teams to help them handling the software.

## 10- ACCESSION TO CENTRE MERSENNE

Upon acceptance, each Publication becomes a **Member** and benefits automatically and for free from the two following services:

- Publication services
- Support to editorial process with OJS

A contract will be established between the Publisher and the CNRS, Mathdoc's trustee, confirming this agreement and listing the services (paying or free) requested by the Publication. A separate estimate will be sent for paying services.

---

### 8- Other upcoming services

---

- Statistics on consultation of the Publication (free)
- Digitization

Please indicate if you wish to benefit from services that are not listed here above.

### 13- TYPES OF FINANCING THE FEE-BASED SERVICES

Access to the Centre Mersenne incurs costs, which amount depends on the editorial project (required services, volume of publication). As to ensure a long-term support to the publications, a financial contribution shall be requested.

In case your Publication (on a Member or a Partner base) requires paying services, two payment options to Publishers are available (It is possible to combine both options)\*:

- **Fee-for-service billing:** a quote, based on fee base below and on the editorial project (required services, volume of publication) will be provided and a billing will be issued twice a year to the Publisher.
- **Annual subscription:** a fixed annual amount based on the editorial project (required services, volume of publication) will be set in agreement with the Publisher.

This annual subscription option can be considered if, for example, the Publication benefits from subsidies from an institution, tutelages or other source supporting the Publication (university, foundation, research library...) The subscription can then be directly paid to the Centre Mersenne.

Please contact us if you have any question relating to the financing modes.

- Choice of financing type
- Fee-for-service billing
- Annualsubscription
- Both

Please precise, if applicable, your financing plan:

\*Regardless of the financing type, the total fee may be reduced or rebated based on the consideration of resources available at the Centre Mersenne.

## AUTHORIZATION

### DOI

*The DOI is a unique and long-lasting identifier for an electronic document or a dataset assigned by [Crossref](#). The DOI system is designed for interoperability.*

The Publisher accepts that Mathdoc/the Centre Mersenne is responsible for the *Digital Object Identifier* (DOI) assignation to every article of the Publication and of the registration of that DOI with Crossref.

The Publisher declares that it already owns a DOI prefix being for the Publication (*Please complete*):

### Archivage pérenne

*Mathdoc uses the non-profit solution [CLOCKSS](#) (the Controlled-Lots of Copy Keep Stuff Safe) to archive the Publications of the Centre Mersenne. This archiving solution is based on a geographically disparate preservation model.*

*CLOCKSS is a not-for-profit joint solution.*

Accepts that Mathdoc/the Centre Mersenne should provide access to the content of the Publication to the CLOCKSS solution (Controlled-Lots of Copies Keep Stuff Safe) for the purposes of long-term archiving.

## GENERAL TERMS OF USE OF CENTRE MERSENNE (GTU)
